

Assistant Program Director, Dedham, MA

Organization Overview

Horizons at Dedham Country Day School (DCD) is an award-winning program that helps build brighter futures for children in the Greater Boston area. Modeled after the national Horizons Student Enrichment Program, Horizons' intensive six-week summer program is designed to prevent summer decline in academic performance and close the opportunity gap. Working in partnership with Horizons families, sending schools in Dedham and Boston, and the host school, Horizons at DCD is committed to developing the whole child and offers activities that promote higher-level thinking and perspective, leadership development and boost self-efficacy – all while raising student aspirations and expectations for their lives.

Horizons will serve approximately 160 students in the summer of 2022, from prekindergarten through eighth grade and serves a fully enrolled high school program. For more information about Horizons, please visit www.horizonsdcd.org.

Position Summary

Horizons at DCD is seeking an Assistant Program Director to support in the management of the summer and year-round education programs. Working closely with the Executive Director, the Assistant Program Director will ensure high-quality, effectively run programs for all grade levels and will play a key role in delivering strong content to the High School Program. The Assistant Program Director will be responsible for hosting family engagement events, Super-Saturdays, re-enrollment sessions, and recruitment workshops that focus on retention and enrollment. As part of a small team, the Assistant Program Director will also participate in a variety of administrative activities.

This is a fantastic growth opportunity for an individual with strong program management skills and a passion for closing the achievement gap for students in Greater Boston. The Assistant Program Director will benefit from the mentoring and guidance of the Executive Director, and with success in the role, will be supported in taking on new levels of responsibility as an organizational leader.

The Assistant Program Director will work in a hybrid remote and in-person setting during the academic-year and fully in-person during the summer program.
