Dedham Country Day

CELEBRATING OUR DONORS

The generosity of our community makes so much possible at DCD. We are deeply grateful to every donor whose support strengthens our school and creates opportunities for our students today.

The Honor Roll recognizes all donors who supported DCD between July 1, 2025 and June 30, 2026, with gifts to the annual, endowed, and special funds. We have made every effort to ensure our donor listing is complete and accurate. If we have made an error or omission, please contact **donorrelations@dcds.net** so we can make it right.

Dear DCD Community:

As I reflect on the past year at Dedham Country Day, I am filled with gratitude for the extraordinary generosity and commitment of our community.

This was a remarkable year for philanthropy at DCD. Together, we contributed more than $790,000 to the Annual Fund—the most ever raised in a single year in DCD's history—with 95% parent participation. These numbers are worth celebrating, but what they represent is even more meaningful: a community that believes deeply in DCD and chooses to invest in our students, faculty, and school.

That community extends well beyond our current families. We are incredibly fortunate for the continued generosity of our grandparents, alumni, past parents, Trustees, Corporation members, volunteer leaders, and community partners. Every gift, at every level, helps strengthen the DCD experience—from our academic program and exceptional faculty to financial aid, the arts, athletics, and so much more.

At the same time, the transformation of our campus is nearing completion. What began as an ambitious vision through the Together Campaign is becoming part of the everyday life of our school. Our new and renewed spaces will give students even more opportunities to learn, perform, create, collaborate, and come together—a lasting reflection of what is possible when a community believes in a shared vision.

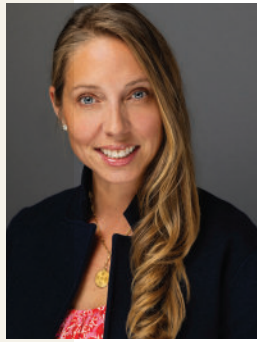

As you turn the pages of the FY26 Annual Report, I hope you see more than numbers and donor lists. I hope you see the collective impact of the DCD community and the many ways people continue to show up for our school.

Thank you for believing in DCD, investing in our students, and helping ensure that this special place continues to thrive for generations to come.

With gratitude,

Amy

EMBRACES an inclusive interdependent community of students, teachers, and parents that fosters trust and encourages children to take risks;

CREATES independent, resilient, lifelong learners through engaging, developmentally based teaching designed to meet varied learning styles;

INSPIRES students to become caring, ethical members of the larger world by emphasizing thoughtful citizenship and respect for self and others.

"DCD means so much to our family because the community is real, and every child is genuinely known here.

We're grateful for a place that fosters a joy of learning, and giving back is our way of supporting it."

JOSH AND JACKIE Z. P '27, P '30

"We give because DCD feels like family.

Our daughters—now in their first and last years of middle school—have attended DCD since pre-K, and most of the faculty and staff have watched them grow up. We value the traditions and being part of a community where kids are known and appreciated for who they are."

MAKE A GIFT

HELP EVERY CHILD THRIVE

From creating in the woodshop and taking risks on stage to asking big questions in class and building friendships on the fields—your gift turns everyday moments at DCD into lifelong confidence.

When you support the Annual Fund, you directly fuel the teachers, programs, and opportunities that make our community so special.
